

We Change The Taste Of The World !

100% Natural

Made 100% From Natural Fruits!

TANYA Flavored Fruit Molasses (Hookah Molasses) is produced from 100% natural fruits and is formulated with aromas that will make your mouth water. Made with special blends of natural fruits, this taste will be unlike any other flavor you've ever had. You will be amazed by the perfection of these flavors that will seduce you.

Tobacco & Nicotine Free

Tobacco, Nicotine, Tar, etc. There are no harmful ingredients that cause cancer!

TANYA Flavored Fruit Molasses (Hookah Molasses) does not contain harmful ingredients such as Tobacco, Nicotine and Tar that cause cancer. Although TANYA Flavored Fruit Molasses does not contain tobacco and nicotine, you will feel a higher intensity of satiety and pleasure without being dependent on tobacco products.

2 Hours of Super Performance

2 Hours of Intense Taste and High Performance Guaranteed!

With our quarter-century of experience in our R&D laboratories, we have formulated the most effective and appealing flavors of the world for you. Our products are guaranteed for 2 Hours of Intense Taste and High Performance. Although the tests were used on different hookah sets, a minimum of 3 hours of use was achieved. We provide the opportunity to smoke hookah for at least 2 hours according to different usage conditions such as hookah set, accessories and coal.

Seductive Flavors

It offers you unique flavors with our brand new formulations.

TANYA Flavored Fruit Molasses (Hookah Molasses) has the best flavors on the market and with over 100 wonderful and seductive aroma blends, you will find your favorite flavors of your dreams. With the R&D studies we carry out for you, we develop the aroma mixtures of your dreams and formulate them according to your taste.

Sweet & Fresh

You will be amazed by the dance of Extra Strong Sweet & Fresh Tastes!

TANYA Flavored Fruit Molasses (Hookah Molasses) has the highest quality aromas that give a Sweet & Fresh taste with specially formulated combinations. TANYA Flavored Fruit Molasses (Hookah Molasses) offers you very different, unique and distinctive flavors. You will be amazed by the dance of combinations created by our engineers.

New Premium Packaging

Your favorite hookah flavors will never dry out!

With TANYA's high-quality jar packaging and convenient resealable lid, your favorite hookah flavor will never dry out. It is always one step ahead of its competitors with its eye-catching packaging design.

Excellent Heat Management

It is 5 times more resistant to burning than normal tobacco due to coal heat.

It is 5 times more resistant than tobacco products against burning, scalding and charring due to coal temperature. Your hookah will be ready in 5-7 minutes with 3 pieces of fried coal that you will use during the brewing phase of the hookah. You can enjoy yourself without being affected by the different temperature calories of different coals.

International Patented!

It is patented as Tobacco Free-Nicotine Free Hookah Molasses.

With its outstanding success in R&D, our products received the world's first and only inventor's patent in 2010, as tobacco-free and nicotine-free! Our products are presented as tobacco and nicotine free hookah molasses has been patented in WIPO which is Turkish Patent Office and International Patent Organization.

The Starling Brand of the World!

Export championship awards received in succession in the Hookah Industry.

With our exports to all countries, we have repeatedly won export championship awards in the Hookah Sector, and we have improved our quality and we proved our success to the world.

We Change The Taste Of The World!

As Günaylar Group, we are proud to introduce and present you the most delicious and highest quality TANYA Flavored Fruit Molasses. As Günaylar Group, we managed to write with golden letters the TANYA brand among the stars of the hookah culture, which has become a phenomenon in the world. TANYA Flavored Fruit Molasses has become the first and only internationally patented brand in the world that does not contain tobacco and nicotine. TANYA Flavored Fruit Molasses; With its outstanding R&D studies, it has succeeded in obtaining a more perfect taste and intense aroma from tobacco. TANYA Flavored Fruit Molasses offers you the taste and pleasure of hookah. Compared to other products containing tobacco and Nicotine, it never causes phlegm, headache, sore throat or any addiction. We also offer you a more intense smoke and aroma taste. It does not contain cancer-causing substances such as tobacco, nicotine, tar, arsenic or lead. TANYA Flavored Fruit Molasses is produced from completely natural fruits.

Since 1996, we continue to direct the hookah industry with creative and innovative ideas to hookah culture, which is a phenomenon in the world. Although TANYA Flavored Fruit Molasses is not made from tobacco, it has a high concentration of smoke and flavor when compared to other tobacco-containing products. As Günaylar Group company; We are trying to prevent the serious danger posed by the use of tobacco products from reaching levels that could threaten human health. We do not recommend consuming tobacco products that contain high amounts of nicotine, tar, arsenic, chromium and lead and adversely affect human health. Within the framework of all these factors, we managed to change the taste of the world by exporting our products, which we developed with superior R&D experience, to all countries of the world in order to keep the hookah culture alive. We proved this success with successive export awards. To healthier and more enjoyable days with your support...
